GREAT Care has been taken to make this **CATALOGUE** much more complete than any Publication of the Kind, in all Respects. There are a considerable Number of Articles added, which were omitted in the former Ones, and the Prices have been carefully corrected by several of the most eminent Booksellers in *London*.

The Law Books, heretofore given in a very irregular and imperfect Manner, are brought together, at the latter End, and form a distinct Collection. This Method, though evidently more convenient than printing the whole under one Alphabet, has not been attempted before.

The same Attention has been given to the School List.

Upon the whole, the Proprietors hope this will be found a **COMPLETE GUIDE** to the Purchasers of *English Books*.
